CLARKE CHAIR

CLARKE CHAIR

A contemporary interpretation of the classic bistro chair, Clarke was designed for comfort.

Made from solid ash, this sculpted piece is defined by fine details and subtle curves and angles.

Fine craftsmanship highlights the sculpted solid timber seat and back elements in contrast to the slender timber frame. The result is a practical chair of impeccable beauty with the added value of being stackable up to six high.

DESIGNER

Metrica, 2015

MATERIALS

Clarke is made of solid ash and available with or without upholstered seat pad.

Available in natural, carbon stained or walnut stained ash.

Upholstered fixed seat pad available in a wide range of indoor fabrics and leathers.
