PARISI TABLE

PARISI TABLE

The Parisi table's hair-pin legs and tapering waist not only result in a distinctive silhouette, but are also the basis for its strength and timeless style. Each of the table's four legs is fluidly connected to each other via an intersecting sub-frame made from powder-coated stainless steel.

Pair the Parisi table with the Chee chair series for a contemporary take on a classic patio setting.

All of the pieces in SPØ1's outdoor collection have been subjected to rigorous testing to ensure their longevity in outdoor conditions. While designed for outdoor use, Parisi's refined profile makes it also suitable for a life indoors.

DESIGNER

Tom Fereday, 2016

MATERIALS

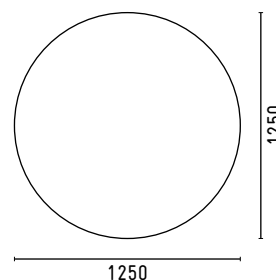

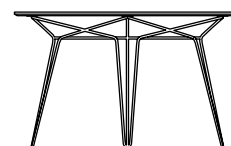

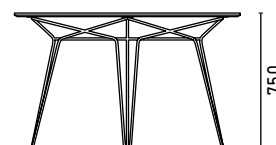

Base made from stainless steel, powder-coated in RAL9017 black or RAL9002 white.

Table top available in marble in Bianco Carrara, Nero Marquina, Verde Guatemala or Rosso Levanto, in polished or honed finish, always sealed for outdoor use.

Table top also available in High Pressure Laminate (HPL) in white or black.
