YEE STORAGE

Yee is a flexible storage system that allows you to create a composition that perfectly suits your needs:

Ideal for cleverly concealing your technology, or curating and displaying the pieces you love, you can choose one of our pre-selected compositions or customise your own individual piece that works for you.

Benches are available in three different lengths, from single element compositions up to 2.4m compositions with many options on element sizes and finishes.

Every storage element comes with cable management for cleverly concealing cables.

Internal storage space can be maximised using one of our internal metal shelves.

MATERIALS

Base constructed from steel, available in RAL9017 satin black, RAL3007 satin red or metallic pewter.

Slatted wood top available in natural ash or carbon stained ash.

Storage elements available in either wood finish or satin lacquered.

Wood finish available in natural ash or carbon stained ash.  
Satin lacquer available in SP01 ochre yellow, RAL8012 red brown or RAL5008 grey blue.

Additional internal metal shelf available in satin lacquer finish in RAL9017 black, RAL8012 red brown or RAL5008 grey blue.

DESIGNER

Metrica, 2018

CERTIFICATES

FSC certified timbers
